BUKTI KONFIRMASI SUBMIT REVISI YANG PERTAMA, RESPON KEPADA REVIEWER, DAN ARTIKEL  
YANG DIRESUBMIT  
RABU, 4 OKTOBER 2023

The screenshot shows a Microsoft Word document titled "Journal of Education Research" with page number 1543. The article title is "Language Solving Creativity Efforts through The Brilliant Teaching Method At Smartgama Learning Guidance Institution" by Sri Budiyo<sup>1</sup>. The author's affiliation is "1) Faculty of Teacher Training and Education, Widya Dharma University". The corresponding author is Sri Budiyo<sup>1</sup> (srbudiyo15@gmail.com). The abstract discusses the purpose of the research, which is to find solutions for how teaching can be enjoyable and accepted (readable and understandable by students). It mentions that many learning methods are used as a philosophy of learning from several tutors in Surakarta. The research uses a qualitative method, and the data sources are teachers and students. The analysis technique is descriptive qualitative analysis, including data reduction, data presentation, and data conclusion/verification. The conclusion is that the learning method used by Smartgama Learning Guidance Institution is a brilliant solution method. The abstract also lists the Brillant Solution method components: "B" (berani), "R" (rasional), "I" (intelektual), and "L" (liberal).

A comment from Astuti Masnur is visible on the right side of the document, stating: "Abstrak ini harus memberikan latar belakang masalah yang singkat (sebaiknya 1-2 kalimat), tujuan penulisan/penelitian yang jelas, metode penelitian, dan disimpulkan pada dua kalimat".

The screenshot shows the final version of the Microsoft Word document. The title and author information are the same as in the previous screenshot. The abstract text is now fully formatted and includes the following text: "Tujuan penelitian ini adalah untuk mencari solusi bagaimana agar pengajaran dapat menyenangkan dan dapat diterima (baca: dapat dipahami oleh siswa). Cukup banyak metode pembelajaran yang dijadikan filosofi pembelajaran dari beberapa tutor di kota Surakarta. Dari referensi tersebut penulis mengambil salah satu metode pembelajaran yang digunakan di Lembaga Bimbingan Belajar Smartgama yang dikenal dengan Metode Brillant Solution. Penelitian ini merupakan penelitian studi kasus. Metode yang digunakan dalam penelitian ini adalah metode penelitian kualitatif. Sumber data yang digunakan dalam penelitian adalah: kegiatan pembelajaran kooperatif, informan dari guru dan siswa, sumber dokumen, dan arsip. Teknik analisis data menggunakan analisis deskriptif kualitatif. Komponen analisisnya meliputi: reduksi data, penyajian data, dan penarikan kesimpulan/verifikasi data. Kesimpulan yang diperoleh adalah: 1) metode pembelajaran yang digunakan mahasiswa Lembaga Bimbingan Belajar Smartgama adalah metode solusi brilian yaitu menyelesaikan masalah dengan cara yang cerdas, yang masing-masing mempunyai singkatan dan filosofi sebagai berikut: "B" artinya berani (berani), "R" artinya rasional (berakal), "I" artinya intelektual (terpelajar), "L" artinya pemimpin (pemimpin/ketua, kepala, prinsip), "L" artinya liberal (mau menghargai atau menerima perilaku atau pendapat yang berbeda dari milik sendiri; terbuka terhadap ide-ide baru), "I" artinya menarik".

The status bar at the bottom indicates the character count: "A-96. Language+Solving+Creativity+Efforts": 24,945 characters (an approximate value).
