Salam, To Mr/Mrs. Anis Marjukah, et al.

Thank you for participating in AJIE.
AJIE's policy is that the maximum number of authors in one manuscript is five (5) authors, check the Author Guidelines:
<https://alhayat.or.id/index.php/alhayat/Author-Guidelines>

The results of the initial examination of the plagiarism check were 18%. The results of the discussion by the editorial team on your piece entitled "The Moderating Effect of Trust..." stated RECEIVED WITH REVISION for publication in Al-Hayat (AJIE) Vol.8 No.2 April-June 2024 or No.3 July-September 2024 edition, and with a fast-track review (APC) IDR 3,500K [review process of four weeks to two month] and a regular review (APC) IDR 2,500K [review process of four months to six months]. Therefore, please make a payment (APC) according to the instructions listed on OJS: <https://alhayat.or.id/index.php/alhayat/AuthorFees> to MANDIRI No. 1710006091238 (interbank code 008) name Fina K.Z.

It is necessary to understand that fast-track review is the time of review, not the time of publication (many people misunderstand here); whether or not it is published quickly depends on the speed of the author's response, if the author is communicative in discussions on OJS or email and the author soon revises according to the notes from per-review, automatically the manuscript will also be published quickly, this has been explained in detail here: https://alhayat.or.id/index.php/alhayat/Peer_Review_Process

AJIE's policy since 2023 is that authors must input their Orcid ID in OJS AJIE when submitting and in the manuscript according to the template. If you don't have one, please register here: <https://orcid.org/signin> (or log in using Gmail). Orcid ID deposits can also be made via this email.
example orcid id: <https://orcid.org/0000-0002-6412-3830>

Proof of transfer can be confirmed via email at alhayatjournal@gmail.com; We have been waiting for the news for a maximum of 3 days since this message was received; if there is no news after that time, we have determined we will consider resigning.

To support the AJIE indexation process for Scopus and WoS, which is currently under assessment, we would like to suggest adding author members to your manuscript in collaboration with international writers and researchers.

LoA (letter of acceptance) and a receipt will be emailed as soon as the APC process is complete.

Wassalam,
Best Regards
AJIE Editor Team
